Service That Soars!

Some of the benefits of our College Saver Account include:

* **Unlimited contributions:**

There are no pre-set contribution limits, unlike many other college savings plans. You can deposit as much money as you like, whenever you like.

* **Automatic deposits:**

We will be happy to set-up direct deposit so that money can be deposited to the account every payday.

* **Flexible use:**

Though the funds are meant for college costs, they can be used however the saver deems necessary.**

* **Compatibility:**

Our College Saver Account can be used in addition to or in place of other college savings plans.

This long-term savings account can be opened as soon as the child is born, so you will have years to accumulate the money you need. With our exceptional interest rates, your account will keep growing year after year.

Of course, if your child is already out of diapers, it's still not too late to start saving! As long as your child is not older than 13

Starting a College Savings Account while your child is still in diapers is a smart idea. It's hard to imagine how expensive
