**Day Air Credit Union Key Player in Ohio Credit Union March
Netting \$110,000 for Children's Miracle Network**

Kettering, Ohio – Day Air Credit Union raised \$6,670 toward the Ohio credit union statewide fundraiser, Marching Miles for Miracle Kids, to raise money for the Children's Miracle Network and the eight children's hospitals serving Ohio. The event as a whole raised \$110,000 this year, bringing the four-year total to \$370,000.

Day Air Credit Union is proud to be a supporter of this collaborative effort and raised money through an internal competition. Each department was given a goal and the winning group won a vacation day. It was a fun way to raise money for a great cause.

Melissa Johnson, Day Air Senior Vice President said, "We are always happy to raise money for Children's Miracle Network. It's such a worthy cause. Day Air had a lot of fun with this particular fundraiser and we hope to continue to help."

The 170-mile relay-style march kicked-off in Dublin on March 28 and concluded in Cincinnati on April 15 at the Ohio Credit Union League ZENITH10 in the Duke Energy Convention Center. On average, marchers walked 10 miles a day during the 18-day trek. Credit union professionals, volunteers, and members statewide raised money through an online fundraising site.

Children's Miracle Network generates funds and awareness programs in partnership with and for the benefit of member hospitals/foundations and the children they serve. Compassionate organizations, media partners and individuals unite with Children's Miracle Network hospitals to help sick and injured kids in local communities. Donations to Children's Miracle Network create miracles by funding specialized medical care, research, and education that save and improve the lives of children.

Further information about Marching Miles, including photos and a diary of each day's march, are available on the official Web site, www.marchingmiles.com.

Day Air Credit Union with over \$202 million in assets and more than 25,000 members is a not-for-profit, full-service financial institution, proudly serving businesses and residents of the Miami Valley.
